

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
MEETING DATE: February 6, 1991
AGENDA TITLE: Traffic Resolution Amendment - West Side of Pacific Avenue at Lodi High School, Parking Modification

RECOMMENDED ACTION: That the City Council approve the parking modifications on the west side of Pacific Avenue at Lodi High School and amend the Traffic Resolution 87-163 as necessary.

BACKGROUND INFORMATION: The Public Works Department has received a letter from the School District requesting that the existing parking on Pacific Avenue be modified in order to relieve congestion and increase student safety in front of the school.

The District's request is to eliminate on-street parking at the south end of the school at all times. They have identified this area as a problem location because students congregate there during the day when the buses arrive and at night during social activities. They feel the elimination of on-street parking will allow the faculty to better supervise this area. These parking modifications are shown on the attached map.

The proposed modification would eliminate 3 vehicle and 9 motorcycle all-day parking stalls. The school administrators have indicated that the removal of these stalls will not cause a problem because there is more than enough available parking in the existing parking lot. In addition to the elimination of these all-day parking stalls, the existing restricted parking (no parking 6:30 AM to 4:30 PM, school days only, buses excepted) will be modified to provide a 248' section for buses only and a 118' section for passenger loading and unloading. The bus zone will accommodate five 40-foot buses and the passenger loading zone will accommodate 5 to 6 stopped vehicles.

The City's policy is to charge the School District for modifications made to existing markings. We have notified the District and they have agreed to pay the cost of the modification which is \$915.00.

Staff has reviewed the District's request and we feel that the proposed parking modifications should solve the problems the District has identified as long as enforcement can be provided. Also, the removal of on-street

parking should not create a problem due to available parking in the existing lot. For these reasons, staff recommends the approval of this parking modification

RESOLUTION NO. 91-26

A RESOLUTION OF THE LODI CITY COUNCIL
APPROVING PARKING MODIFICATIONS ON THE WEST SIDE OF PACIFIC AVENUE
AT LODI HIGH SCHOOL, THEREBY AMENDING TRAFFIC RESOLUTION NO. 87-163

RESOLVED, that the City Council of the City of Lodi does hereby approve the following parking modifications on the west side of Pacific Avenue at Lodi High School, as shown on Exhibit A attached:

- 1) Eliminate 77 feet of on-street parking at the south end of Lodi High School at all times (eliminating 3 vehicle and 9 motorcycle all-day parking stalls.
- 2) The existing restricted parking (no parking 6:30 AM to 4:30 PM, school days only, buses excepted) is hereby modified to provide a 248' section for buses only (to accommodate five 40-foot buses) and a 118' section for passenger loading and unloading (to accommodate 5 to 6 stopped vehicles); and

FURTHER RESOLVED, that City of Lodi Traffic Resolution 87-163, Sections 3(B) and 3(B)(5)- "Street Parking Restrictions" is hereby modified as follows:

- 1) 77 feet of on-street parking is eliminated at the south end of Lodi High School, at all times (eliminating 3 vehicle and 9 motorcycle all-day parking stalls); and
- 2) The existing restricted parking (no parking 6:30 AM to 4:30 PM, school days only, buses excepted) is modified to provide a 248' section for buses only (to accommodate five 40-foot buses) and a 118' section for passenger loading and unloading (to accommodate 5 to 6 stopped vehicles).

Dated: February 6, 1991

Resolution 91-26
